BON BINI TO AMBER COVE!

Situated on the island's northern coast, Amber Cove is the Dominican Republic's newest cruise port — a recently constructed village that acts as a gateway to all that the region offers. It features restaurants, bars and shops, as well as an activity center, a pool and cabanas.

Nearby Puerto Plata dates back to the 1490s and was first discovered by Christopher Columbus. History, culture and natural beauty intertwine here where there's something for everyone to enjoy, from shopping and touring historic sites, to lounging on expansive beaches.
