70 SQUARE MILES OF HAPPINESS

This tiny island gem is nestled in the southern Caribbean and has over 90 unique nationalities happily living together. Aruba's history dates back centuries – from its ancient Caiquetio Indian roots, Spanish and Dutch rule, to its modern day standing as a constituent country of the Netherlands. Aruba's multicultural past is reflected in the island's cuisine, architecture, artwork, traditions and warm, friendly people.

In downtown Oranjestad, visitors can discover Aruba's history at the Archaeological Museum of Aruba, explore the city by streetcar or take advantage of the convenient, duty-free shopping along the waterfront.
