## WELCOME TO BERMUDA

Mark Twain once said, "You can go to heaven if you want to. I'd rather stay in Bermuda." And upon arrival on the island it's easy to see why. The picturesque paradise boasts nearly 75 miles of impeccable coastline surrounded by sparkling turquoise waters. The sophisticated British overseas territory is as rich in culture as it is in natural beauty—with a whole lot of pink. Bermuda is known for its pink-sand beaches, championship golf courses, and more than 300 shipwreck sites for the world's best diving. There is truly something for everyone on this sophisticated island paradise.
