## WELCOME TO GRENADA

The spice island, Grenada is rich with nutmeg, cinnamon, and clove—the aromas waft across the isle on ocean breezes. This richness permeates everything there is to see and do here, from historical tours and cultural trips to local experiences and nature adventures. In St. George's, the 300-year-old capital, stroll through the 125-year-old Sendall Tunnel to the Carenage waterfront. Open-air cafés await. In the central region, hike jungle-covered mountains at Grand Etang Park—it's alive with waterfalls, tropical plants and wildlife, and a lake formed in the crater of an extinct volcano. Or relax on one of the 45 beaches—Grand Anse is a hit.
