WELCOME TO HILO

Famous for rainforests, gardens and waterfalls (don't miss the 80-foot Rainbow Falls), this Hawaiian port has been likened to one big giant greenhouse. The Hilo Walk of Fame features banyan trees planted by celebrities and dignitaries dating back to 1933. Liliuokalani Gardens is the largest ornamental Japanese garden outside of Japan. And Wailuku Park is just 2 miles from Hilo Town. History and architecture buffs will enjoy a stroll around the well-preserved historic buildings of the walkable town. About 15 miles north is Akaka Falls, and 30 miles southwest Hawaii Volcanoes National Park is home of Kilauea Volcano, one of the most popular attractions around.
