WELCOME TO JUNEAU

Spanning 3,200 miles from the Inside Passage to the Canadian border, the largest US state capital charms with a thriving Native culture, rustic charm and lively waterfront. This port town of around 32,000—mostly fishermen and small-business owners—has a frontier vibe that explodes each summer with over a million visitors. Mendenhall Glacier, Juneau's grandest monument, is a must-see, must-do! The top natural attraction offers sightseeing and recreational activities as abundant as the salmon. Whale watching, dogsledding, glacier hiking and float-planing are just a few of the totally unique adventures that await you in Juneau.
