WELCOME TO MAUI

Maui is the second largest and most visited of the Hawaiian Islands. It is sparsely populated supporting less than one tenth of the state’s population and is home to pineapple, sugar cane, cattle ranches, and rain forests. The island is home to Haleakala, the largest dormant volcano in the world, consisting of 30,000 feet of hardened lava rising from the ocean floor capped by a huge crater. Speaking of the ocean here, it is estimated that 50% of the world’s humpback whales return here to give birth and mate. Lahaina is Maui’s main city and was once the home of Hawaiian kings and queens. Today, Lahaina hums with vibrant tourist activity. Lahaina, often called the “jewel in the crown of Maui,” is the second most visited spot on Maui after the beaches. Enjoy your day exploring Maui.
