WELCOME TO OCHO RIOS

Although this laid-back seaside village is famously easy going, it is also the jumping off point to some of the most exciting and beautiful attractions in all of Jamaica. In addition to legendary white sands and turquoise waters, Ocho Rios is where explorers have come for centuries to discover the remarkable Dunn's River falls, and splash down its smooth natural slides. The falls and beaches are just the beginning in Ocho Rios—back in town you can choose between a lively Jamaican-style pool party at Margaritaville, dining delights such as Jerk Chicken and Jamaican Patties, or exploring and shopping for deals on everything from diamonds to locally made arts and crafts.
