WELCOME TO SAINT JOHN NB

Celebrated for its Reversing Falls Rapids & world's highest tides, Saint John's Bay of Fundy was a finalist for New 7 Wonders of Nature. Canada's oldest incorporated city greets guests with 400 years of history, in many places just across from the harbor. Water Street marks the entrance to Uptown, where shops and historical sites merge in a walkable district. Don't miss City Market, Canada's oldest farmers' market with a rafter design of an inverted hull honoring Saint John's shipbuilding past. For the famous landmark, head to Fallsview Park to see the Saint John River merge with Bay of Fundy, creating whirlpools, waterfalls and rapids that change direction with the tide.
