WELCOME TO PHILIPSBURG

The 33-square-mile island of St. Maarten / St. Martin is the smallest landmass in the world governed by two nations – the Netherlands and France. Christopher Columbus is credited with naming the island in honor of St. Martin of Tours, as he first sighted the island on the saint's feast day of November 11, 1493. With over 99 nationalities inhabiting the island, St. Maarten offers a unique blend of European culture and Caribbean flair and prides itself on being the home of the "friendly people." Its diverse population is also part of the reason why St. Maarten is known as the culinary capital of the Caribbean.
