## WELCOME TO CHARLOTTE AMALIE

Christopher Columbus is credited with "discovering" St. Thomas in 1493, during his second exploration of the New World. In the centuries that followed, the English, Dutch, French, Spanish, Knights of Malta, and Danes ruled the islands. During World War One, the United States bought the islands from Denmark for \$25M in gold.

Downtown Charlotte Amalie has been a shopping destination since 1607 when the Jamestown settlers bought supplies on their way to Virginia. Today, as the most visited port in the Caribbean, shoppers are spoiled for choice with designer jewelry, watches and souvenirs in this duty-free shopping mecca.
